Saturday May 2 and Sunday May 3, 2009

### Permaculture May Day:

A day of positive action for you and the planet

Come and see...

-  Energy efficient homes
-  Beautiful and productive landscapes
-  Creative living skills displays
-  Edible gardens
-  Inspiring eco films, talks and workshops
-  Urban food forests
-  Ideas and inspiration for positive action
-  What you can do with permaculture in your home, work or community!
